NOTE TO THE COMMUNITY

Do you LOVE the East Williston Creative Arts Workshop? The current Board does too! EWCAW is run by volunteer parents who donate their time and dedication, some for over a decade.

The program has provided the East Williston school community a local, safe, and fun place to bring children on Saturday mornings. It has provided our high school students much needed community service hours for the National Honor Society. If you are interested in volunteering, please contact any current member of the Board.
